GLENS REMOVALS & STORAGE QUALITY MANUAL

ANTI-TRUST COMPLIANCE PROCEDURE

Document Title: Anti-Trust & Competition Law Compliance Procedure

Applies To: All employees, managers, directors, agents, subcontractors, and supply chain partners

Related Standards: FAIM / FIDI Ethical & Competition Compliance Requirements

Effective Date: reviewed 10 January 2026

Version: 1.0

1. PURPOSE

The purpose of this procedure is to mitigate the risk of anti-trust and competition law non-compliance within Glens Removals & Storage and across its supply chain, in line with **Zimbabwean competition law**, applicable **international competition laws**, and **FIDI/FAIM ethical and competition compliance requirements**. The procedure ensures that all business activities are conducted fairly, independently, transparently, and in full compliance with the **Competition Act [Chapter 14:28] of Zimbabwe**, relevant international competition principles, and FIDI standards. The purpose of this procedure is to mitigate the risk of anti-trust and competition law non-compliance within Glens Removals & Storage and across its supply chain. The procedure ensures that all business activities are conducted fairly, independently, transparently, and in full compliance with applicable competition and anti-trust laws, as well as FIDI and FAIM ethical standards.

2. SCOPE

This procedure applies to:

- All Glens Removals & Storage employees and management
- Directors and shareholders
- Agents, partners, and subcontractors
- Suppliers and service providers within the supply chain
- Participation in industry associations, tenders, and partner networks

6/Q St Georges Street, Ardbennie, Harare, Zimbabwe
Email: glens@zol.co.zw Tel: +263 242 620711-5
VoIP: 08677009686

GLENS REMOVALS & STORAGE

The procedure applies to all operations conducted **within Zimbabwe and internationally**, including cross-border and international removals where foreign competition laws may apply. This procedure applies to:

- All Glens Removals & Storage employees and management
- Directors and shareholders
- Agents, partners, and subcontractors
- Suppliers and service providers within the supply chain
- Participation in industry associations, tenders, and partner networks

3. DEFINITIONS

Anti-Trust / Competition Laws: Laws that prohibit agreements or practices that restrict competition, including price-fixing, bid-rigging, market allocation, and abuse of dominant position. This includes the **Competition Act [Chapter 14:28] (Zimbabwe)** and applicable foreign competition laws where Glens Removals & Storage operates internationally.

FIDI Requirements: Ethical and competition compliance obligations issued by FIDI and embedded within FAIM standards, including zero tolerance for cartel behaviour, collusion, or unfair competition.

Supply Chain: All third parties involved in the provision of services, including agents, hauliers, packers, storage providers, customs brokers, and international partners. **Anti-Trust / Competition Laws:** Laws that prohibit agreements or practices that restrict competition, including price-fixing, bid-rigging, market allocation, and abuse of dominant position.

Supply Chain: All third parties involved in the provision of services, including agents, hauliers, packers, storage providers, customs brokers, and international partners.

4. ANTI-TRUST RISK AREAS IN THE SUPPLY CHAIN

Glens Removals & Storage recognises the following as key anti-trust and competition law risk areas under **Zimbabwean law, international competition principles, and FIDI rules:**

- Price fixing or fee coordination with competitors or agents
- Sharing sensitive commercial information (pricing, margins, customer lists)
- Bid-rigging or collusion in tenders
- Market or customer allocation agreements

GLENS REMOVALS & STORAGE

- Anti-competitive exclusivity or refusal-to-deal arrangements
- Abuse of market power
- Informal discussions at industry meetings or association events Glens Removals & Storage recognises the following as key risk areas:
 - Price fixing or fee coordination with competitors or agents
 - Sharing sensitive commercial information (pricing, margins, customer lists)
 - Bid-rigging or collusion in tenders
 - Market or customer allocation agreements
 - Anti-competitive exclusivity arrangements
 - Informal discussions at industry meetings or association events

5. PROCEDURE – MITIGATING ANTI-TRUST RISK

5.1 Independent Business Decisions

- All pricing, quotations, discounts, supplier selection, and commercial decisions must be made independently by Glens Removals & Storage.
- No employee may agree, formally or informally, with competitors or agents on prices, margins, routes, customers, or markets.

5.2 Supplier and Agent Engagement Controls

- All suppliers, agents, and partners are selected based on objective, transparent, and non-discriminatory criteria (service quality, compliance, cost, capability), in line with the **Competition Act [Chapter 14:28]** and FIDI principles.
- Written contracts must include:
 - Compliance with Zimbabwean and applicable international competition laws
 - Compliance with FIDI ethical and competition requirements
 - Prohibition of collusive or anti-competitive conduct
 - Right to audit, suspend, or terminate for non-compliance
- All suppliers, agents, and partners are selected based on objective, transparent criteria (service quality, compliance, cost, capability).

GLENS REMOVALS & STORAGE

- Written contracts must include:
 - Compliance with competition and anti-trust laws
 - Ethical conduct and fair competition clauses
 - Right to audit or terminate for non-compliance

5.3 Information Exchange Controls

- Commercially sensitive information (pricing, costs, margins, volumes, customer details) must not be shared with competitors or agents unless strictly necessary and contractually permitted.
- Information shared with partners must be limited to what is operationally required for service delivery.

5.4 Tenders and Bidding

- All tenders must be prepared independently and competitively.
- Employees must not discuss tenders, pricing strategies, margins, or bid intentions with competitors or other bidders, whether locally or internationally.
- Any suspected bid-rigging, collusion, or coordinated bidding must be reported immediately, in line with Zimbabwean law and FIDI zero-tolerance expectations.
- All tenders must be prepared independently.
- Employees must not discuss tenders, pricing strategies, or bid intentions with competitors or other bidders.
- Any suspected bid-rigging or collusion must be reported immediately.

5.5 Industry Associations and Meetings

- Participation in industry meetings (including FIDI or local associations) must avoid discussions on pricing, costs, market division, or competitive strategy.
- If inappropriate topics arise, employees must:
 - Clearly object
 - Remove themselves from the discussion
 - Report the incident to management

5.6 Monitoring and Reporting

- Management will periodically review supplier relationships and commercial practices for anti-trust risk.
- Employees are encouraged to report concerns confidentially without fear of retaliation.

6. ROLES AND RESPONSIBILITIES

Managing Director / Senior Management

- Overall accountability for anti-trust compliance
- Approval of suppliers and strategic partnerships
- Ensuring adequate training and communication

Compliance / Quality Representative

- Maintain this procedure
- Monitor compliance and conduct internal reviews
- Coordinate corrective actions where risks are identified

Employees

- Comply with this procedure at all times
- Avoid anti-competitive conduct
- Report suspected breaches immediately

7. BREACHES AND DISCIPLINARY ACTION

- Any breach of this procedure may result in disciplinary action, up to and including termination of employment or contracts.
- Serious breaches may be reported to relevant authorities where required by law.

8. COMMUNICATION AND TRAINING OF STAFF

8.1 Communication

This procedure is communicated to staff in line with FAIM and FIDI requirements through:

- Inclusion in the Employee Handbook and Quality Manual
- Mandatory induction training for all new employees
- Targeted communication to commercial, procurement, and management staff
- Circulation via internal email, notice boards, or toolbox talks
- Availability through controlled document management systems

8.2 Training

- Anti-trust and competition law awareness training is provided:
 - During employee induction
 - Periodically for management, sales, procurement, and operations staff
 - When there are changes in Zimbabwean law, international requirements, or FIDI/FAIM standards
- Training includes practical, industry-specific examples relevant to removals, logistics, agents, and international partners.

8.3 Acknowledgement

- Employees are required to formally acknowledge understanding of, and compliance with, this procedure and applicable competition laws.

8.3 Acknowledgement

- Employees are required to acknowledge understanding and compliance with this procedure in writing.

9. RECORDS

The following records are maintained:

- Signed employee acknowledgements
- Training attendance records
- Supplier contracts and compliance clauses
- Incident and investigation reports
