GLENS REMOVALS & STORAGE

1. INTRODUCTION

Glens Removals & Storage is committed to Corporate Responsibility and Sustainability. This manual aligns with international corporate responsibility standards and Zimbabwean legislation, including:

- Environmental Management Act (Chapter 20:27)
- National Climate Policy of Zimbabwe
- Occupational Safety and Health regulations
- FIDI FAIM Corporate Responsibility requirements

The organisation is committed to reducing environmental impact, improving operational efficiency, and ensuring compliance with applicable legal and industry standards.

2. CORPORATE SUSTAINABILITY PROGRAMME

2.1 Environmental Pillar

The company integrates sustainability across all operations by:

- Minimising environmental impact
- Promoting responsible resource use
- Ensuring legal compliance
- Raising staff awareness through training

2.2 SMART GOALS

Energy Efficiency

Goal: Reduce electricity consumption in offices and warehouses by 15% by December 2027.

Initiatives:

- Replace fluorescent lighting with LED fixtures

6/Q St Georges Street, Ardbennie, Harare, Zimbabwe
Email: glens@zol.co.zw Tel: +263 242 620711-5
VoIP: 08677009686

GLENS REMOVALS & STORAGE

- Install motion sensors in low-traffic areas
- Increase solar energy use in office buildings
- Upgrade warehouse roofing with metal roof + polycarbonate daylight strips + ventilation to improve:
 - Heat control
 - Durability (hail/sun resistance)
 - Energy efficiency

Paperless Operations

Goal: Achieve 90% paperless documentation by June 2027.

Initiatives:

- Implementation of Odoo ERP system
- Digitalisation of invoicing, HR, fuel management, and procurement approvals
- Reduction of paper and cartridge usage

Waste Management

Goal: Divert 70% of warehouse waste from landfill by December 2026.

Initiatives:

- Partnership with GreenTech Recycling Zimbabwe
- Reuse of cartons, wrapping paper, and wooden crates
- Adoption of blanket wrapping to reduce cardboard usage
- Structured waste segregation and reuse before disposal

VoIP: 08677009686

GLENS REMOVALS & STORAGE

Carbon Footprint Reduction

Goal: Reduce fleet emissions by 20% by 2030.

Initiatives:

- Gradual replacement of 30% diesel fleet with electric vehicles
- GPS route optimisation
- Preventive maintenance to reduce oil leaks and contamination
- Eco-driving training for drivers
- Spill kits installed in all vehicles

3. POLICY STATEMENTS

3.1 Environmental Policy

Glens Removals & Storage commits to pollution prevention, environmental compliance, and continuous improvement in accordance with Zimbabwean environmental legislation.

3.2 Corporate Responsibility Policy

The company upholds ethical business conduct, transparency with stakeholders, and positive contribution to communities and the environment.

3.3 Health & Safety Policy

The company ensures a safe working environment through:

- Regular risk assessments
- Staff training and awareness programmes
- Compliance with Occupational Safety and Health regulations
- Open-door reporting system for safety improvements

Email: glens@zol.co.zw Tel: +263 242 620711-5
VoIP: 08677009686

GLENS REMOVALS & STORAGE

4. PROCEDURES

4.1 Resource Efficiency Procedures

- Monthly energy audits conducted
- Installation of water-saving fixtures across facilities
- Planned installation (by December 2026):
 - Low-flow faucets
 - Dual-flush toilets

Expected impact: 30–60% reduction in water consumption

4.2 Waste Management Procedures

- Colour-coded waste segregation system
- Use of EMA-certified recycling partners
- Monthly compliance checks by Operations and Procurement teams
- Staff training on waste handling

Expected impact: Additional 5% reduction in landfill waste

4.3 Carbon Footprint Monitoring & Reporting

- GPS-based fleet tracking
- Fuel usage monitoring and driver behaviour analysis
- Annual participation in national tree planting initiatives (1 December)
- Indigenous tree planting in collaboration with local authorities

GLENS REMOVALS & STORAGE

5. MONITORING & EVALUATION

5.1 KPIs and Metrics

- Energy consumption per facility
- Water usage reduction percentage
- Waste diversion rate
- Fleet fuel efficiency and emissions

5.2 Reporting Framework

- Quarterly internal sustainability reports
- Annual environmental performance review

5.3 Continuous Improvement Cycle

- Annual target review
- Corrective action implementation based on KPI performance
- Ongoing staff training and awareness programmes

6. COMPLIANCE

6.1 FIDI FAIM FD5 Compliance

This programme aligns with FIDI FAIM Corporate Responsibility requirements and ensures continuous compliance through:

- Quarterly training programmes
- Regular audits and performance monitoring

6/Q St Georges Street, Ardbennie, Harare, Zimbabwe
Email: glens@zol.co.zw Tel: +263 242 620711-5
VoIP: 08677009686

GLENS REMOVALS & STORAGE

6.2 Zimbabwe Legal Compliance

The company complies with:

- Environmental Management Act (Chapter 20:27)
- National Climate Policy of Zimbabwe
- Occupational Safety and Health regulations

7. REVIEW

This policy is reviewed annually and updated to reflect operational, regulatory, and industry changes.
